

In the Specification.

Please add the following Brief Description of the Drawings prior to the Detailed Description of the Invention on page 4 of the Application. This Brief Description  
5 of the Drawings had been part of Applicant's preliminary Amendment and Substitute Specification upon entry into the US National Phase from the PCT application, but apparently was not entered into the present application:

10 "Brief Description of the Drawings:

Figure 1: Measurement of  $\tan \delta$  by DMA at 1 Hz between a copolymer possessing marked phase separation and a copolymer possessing phases which are not well separated.

Figure 2 : Measurement of  $\tan \delta$  by DMA at 1 Hz for pure model SBUAS, \*  
15 SBUAS + Reagem 5110, and red Adtac LV.

Figure 3: DMA results of the copolymers of Example 1."
